

SEP 29 1952

Mr. John Scott
TIME, Incorporated
Time & Life Building
Rockefeller Center
New York, New York

Dear John:

Many thanks for the letter outlining certain observations you made while on your trip to Europe. I have found your remarks both illuminating and helpful, particularly since they came from one whose business it is to observe the reactions of the public.

As you well know, this game of dealing with the composite mind of a people is a large job and I therefore appreciate all the more your interest and help.

Sincerely,

W B S

Walter B. Smith
Director
